

AVIATION & AEROSPACE

OVERVIEW

Foulston Siefkin has a long history of working with many companies in the Aerospace & Aviation industry going back to the beginning of Stearman Aircraft in the early 1920s, through the next century with Boeing, and today with its commercial aerostructures successor, Spirit AeroSystems, Inc. Our team collaboration with a variety of practice areas allows us to help the client through all phases of the business life cycle from incorporation to the sale of the business. We understand the aerospace and aviation industry from our experience in helping our clients with all their legal challenges for over 100 years and have played a supporting role in their contributions in making Wichita “The Air Capital of the World.”
