

FOULSTON NAMED BY VAULT AMONG NATION'S "TOP 150 UNDER 150" LAW FIRMS

May 14, 2026

Foulston Siefkin LLP has been recognized as one of the top 150 law firms with fewer than 150 lawyers in the U.S. by Vault Law, a career and research resource for legal professionals. Vault bases its ranking on data from legal publications, industry awards, and published rankings. Foulston is the only Kansas-based firm included in the Vault Top 150. The firm has nearly 90 lawyers across offices in Overland Park, Topeka, and Wichita.

Foulston managing partner David Rogers said, "We appreciate the recognition of our work and remain focused on delivering excellent legal advice and top-notch client service. A law firm is only as good as its lawyers and staff, and we're very fortunate to have built a culture that draws great people."

The firm is highly ranked through multiple lawyer-recognition organizations, such as Chambers and Partners, Best Lawyers® and Best Law Firms®, and Benchmark Litigation, and a number of Foulston lawyers have been elected as members of selective organizations based on their experience and career achievements. These organizations include the American College of Trial Lawyers, the American College of Tax Counsel, the American College of Trust and Estate Counsel, the American College of Real Estate Lawyers, the American Academy of Appellate Lawyers, the American College of Construction Lawyers, the American College of Environmental Lawyers, and the Litigation Counsel of America.

As the largest law firm based in Kansas, with offices in Kansas City, Topeka, and Wichita, Foulston Siefkin LLP provides legal and government affairs services to a broad range of clients — from large national and international corporations to closely held businesses and individuals. Foulston's lawyers are consistently recognized as among the leading lawyers in the United States. For more than 100 years, Foulston's lawyers have provided counsel in a wide range of practice areas, including civil and complex litigation, tax, business matters, employment and labor, and healthcare.
